Playground Manners

- When you are playing and having fun you do not want to get hurt. You do not want other children to get hurt.
- When you play on a playground with many other children make sure you are very considerate of the other children.
- Think about how you want to be treated, and treat others the same way.

- Please do not push someone out of the way. Make sure you wait your turn.
- Help others to have a good time. If someone needs help please be sure to help.
